《FOSUN Supplier Code of Conduct》

FOSUN expects all of our suppliers to conduct their business ethically.

As a supplier, you must comply with all applicable laws and regulations, the requirements set out in this FOSUN Supplier Code of Conduct and your contractual obligations to us.

This FOSUN Supplier Code of Conduct defines the main principles underlying your business activities as one of our suppliers. More specific guidance, where to go for questions, is available on www.fosun.com.

A. Human rights: As a supplier to FOSUN, you shall respect the personal dignity, privacy and rights of each individual; Refuse to make any person work against his or her will; and Prohibit behavior including gestures, language and physical contact, that is sexual, coercive, threatening, abusive or exploitative.

B. Fair labor conditions: You shall ensure fair labor conditions. In particular, you will refrain from employment discrimination based on gender, age, ethnicity, nationality, religion, disability, union membership, political affiliation or sexual orientation; Respect the rights of employees to freely associate and bargain collectively; Not tolerate or use child labor in any stage of your activities other than in accordance with all applicable laws and regulations; Not use any forced labor, including but not limited to involuntary prison labor, victims of slavery and human trafficking and allow all employees the choice to leave their employment freely upon reasonable notice; Compensate employees fairly and follow local wage regulations; Ensure that working hours, including overtime, do not exceed applicable legal requirements, and where such requirements do not exist, we recommend that working hours not exceed sixty hours per week including overtime; and Ensure that employees are allowed at least one uninterrupted day off per week.

C. Environment, Health, Safety and Quality management: You shall conduct business in an environmentally sustainable manner. In particular, you shall operate in compliance with Chinese laws and legislations and industry requirements, and all the applicable local laws and legislations of the business activities of the host country/region; A safe, healthy, comfortable work environment will be provided for the employees; Establish environmental, health, safety and quality management system, conduct regularly check and audit to ensure it operates smoothly and effectively; Continue to drive down the environmental and health impact of the operations by reducing solid waste, air pollutant and wastewater and by using energy and resources efficiently, at the same time, explore opportunities to re-use and recycle waste.

D. Business ethics: You shall conduct your business in an ethical manner. In particular, you shall refrain from any and all forms of corruption, extortion and bribery, and specifically ensure that payments, gifts or other commitments to customers (including FOSUN employees), government officials and any other party are in compliance with applicable anti-bribery laws; Disclose to FOSUN information regarding potential conflicts of interest relating to your activities as an FOSUN supplier, including disclosure of any financial interest an FOSUN employee may hold in your business; Protect all confidential information provided by FOSUN and our respective business

partners; Respect intellectual property of others, including FOSUN; and Adhere to international trade regulations and export control regulations.

E. Secure business: You shall conduct your business in a secure manner. In particular, you will implement reasonable measures for minimizing exposure of FOSUN to security threats such as terrorism, crime, pandemics and natural disasters; and When visiting or working at FOSUN locations, follow FOSUN's security procedures and report any security concerns to the appropriate FOSUN channels.

F. Procurement by supplier: You shall procure goods and services in a responsible manner. In particular, you will select your own tier one suppliers providing goods or services directly or indirectly to FOSUN based on requesting them to adhere to standards comparable to those set forth in this FOSUN Supplier Code of Conduct; and Only subcontract work with prior consent from FOSUN.

G. Inspections and corrective actions: In order to ensure and demonstrate compliance with the FOSUN Supplier Code of Conduct, you shall keep record of all relevant documentation, and provide supporting documentation to us upon request. To verify your compliance, we reserve the right to audit and inspect your operations and facilities, at our own cost and upon reasonable notice, with or without support of a third party. If the results of such an audit or inspection shows that you do not comply with this FOSUN Supplier Code of Conduct, you shall take necessary corrective actions in a timely manner, as directed by us. If you fail to take corrective actions or fail to comply with this FOSUN Supplier Code of Conduct after taking corrective actions, then we may take action against you, including suspending or terminating your activities as one of our suppliers.

H. Reporting Channels: In our business relationship, if you or your employees believe that this FOSUN Supplier Code of Conduct has been violated or not been executed, then we encourage you to raise your concerns via the FOSUN stakeholder reporting channels:
