# FOSUN, TOWARDS A BRIGHTER LIFE

Fosun was founded in 1992. After more than 30 years of development, Fosun has become a global innovation-driven consumer group. Adhering to the mission of creating happier lives for families worldwide, Fosun is committed to creating a global happiness ecosystem fulfilling the needs of one billion families in Health, Happiness and Wealth. In 2007, Fosun International Limited was listed on the main board of the Hong Kong Stock Exchange (stock code: 00656.HK).

## MISSION

Creating happier lives for families worldwide

## VISION

Rooted in China, Fosun is committed to creating a global happiness ecosystem fulfilling the needs of one billion families in Health, Happiness, and Wealth

# ROOTED IN CHINA, DEVELOPING GLOBALLY

Rooted in China, Fosun has been developing globally and has long adhered to the two core growth drivers of “innovation” and “globalization”. Fosun is one of the few Chinese companies that is equipped with global operation and investment capabilities, and has accumulated profound technology and innovation capabilities

# OUR STRATEGIES

Fosun adheres to its globalization strategy, continuously innovates to create new momentum, and remains focused on deepening its development in the household consumption industry

Globalization

Innovation

01

# PROFOUND GLOBAL OPERATIONS

The globalization journey of Fosun began with the listing of Fosun International in Hong Kong. After 17 years since its listing, Fosun has established industrial presence in more than 35 countries and regions around the world. Since 2022, the model of “global organization + local operations” has become more mature.

# PROFOUND GLOBAL OPERATIONS

Fosun's globalization strategy means more than just "two-way engagement" between the global and Chinese markets. It extends to the endogenous development of its ecosystem enterprises both domestically and internationally, encouraging them to actively expand their businesses beyond their domestic markets.

# FOSUN FOR GOOD

The Fosun Foundation was established in November 2012 as the main humanitarian arm of the Fosun Group and is a “5A Social Organization”. Adhering to Fosun’s values of “Self-improvement, Teamwork, Performance and Contribution to Society”, Fosun Foundation insists on serving the society, the people and the nation. The coverage of the foundation includes disaster relief, rural revitalization, healthcare, poverty alleviation, youth entrepreneurship, education, and culture & art, etc., serving many countries and regions around the world.

Regarding rural revitalization, the Rural Doctor Program trains and retains qualified rural doctors, and enhances the capacity and accessibility of primary healthcare services to reduce poverty and the risk of returning to poverty caused by illness, supporting the national rural revitalization strategy. Regarding youth entrepreneurship and education, the Fosun Foundation assists global youth in realizing their entrepreneurial dreams in the Internet+ era through the Protecting Global Youth Start-Up Acceleration Program. The Emerging Visionaries initiative highlights young individuals who fulfil their social responsibilities through innovative public welfare projects, promoting the alignment of Chinese youth philanthropy with international standards. Fosun Foundation launched the “Tai Chi Anti-Parkinson’s Disease” program, offering free online and offline Tai Chi courses to patients with Parkinson’s disease, helping them improve their symptoms and regain confidence. In response to sudden global disasters, the Fosun Foundation embodies the spirit of humanitarian assistance and brings warmth and support to affected areas.

## RURAL DOCTORS PROGRAM

Rural doctors are the "gatekeepers" of grassroot health. In late 2017, under the guidance of the National Health Commission Poverty Relief Office, Fosun Foundation, together with China Population Welfare Foundation and other units, initiated the Health by Heart - Rural Doctors Program ("Rural Doctors Program"), which focuses on safeguarding, empowering and incentivizing rural doctors, implementing a comprehensive support plan centered around the 5 "One Action" to protect grassroots health.
